

Notification of Federal Right to Know Disclosures Olivet College Annual Security Report

The Federal Government requires that U.S. colleges and universities make available to current and prospective employees important security policies and federally-reported crime statistics.

The College's Annual Security Report, containing security policies and crime statistics, is available October 1, in compliance with the "Clery Act". Security policies and safety information, including any recent updates, are available in the *Student Handbook*, on line at http://www.olivetcollege.edu/student_life/pdf_docs/2008_09_student_handbook.pdf

Crime statistics can be found on the federal Dept. of Education COOL web site at <http://nces.ed.gov/ipeds/cool/> Type **Olivet College** next to Institution Name and follow the links.

The Dean of Students Office in Mott 208 will provide a printed copy of the *Student Handbook*, any updates, and the College's crime statistics.
