

## Career Services Network Job Posting

**Date Posted:** March 3, 2010

**Name of Company:** Custom Built Personal Training, Battle Creek

**About Custom Built:** Custom Built Personal Training provides the very best opportunity for those seeking a long-term, lucrative and secure career in the fitness industry. Because of our unparalleled ability to maximize both personal training revenue and service (currently, Custom Built Personal Training averages nearly \$40,000 per month per club in personal training sales, with some clubs selling between \$80,000 and \$100,000 per month), and our relationships within the fitness industry, the available growth opportunities for Custom Built Personal Training are staggering—we estimate that Custom Built Personal Training will provide personal training services to 300 to 500 health clubs over the next decade. Custom Built's potential growth and status as a national company provides unrivalled opportunity for those who seek a career with upward mobility. In combination with a pay scale that clearly exceeds other training companies, we invite you to begin your new career today and apply online with Custom Built Personal Training. The primary entry-level positions available are Personal Trainer and General Manager.

**Description:** Custom Built Personal Training provides the very best opportunity for those seeking a long-term, lucrative and secure career in the fitness industry. We invite you to begin your new career today!

We are looking for Fitness Professionals with approachable personalities, dedicated work ethic, and a true passion for helping their clients. The individuals chosen to be a part of our team will be the best in the industry. Personal Trainers are responsible for client program design and supervision. Sales experience is a plus but is not required.

Our company offers the stability and integrity that is typically lacking as an independent trainer. Personal Trainers earn a base wage between \$14 to \$25 per hour while training, plus commissions, with the potential to exceed over \$30 per hour. As an employee and not an independent contractor, Custom Built handles all insurance and tax concerns, and provides your clients for you. Top performers who demonstrate leadership ability will likely be promoted to one of our upper-level management

positions, including Club Fitness Director, Area Fitness Director, Regional Fitness Director, even National Fitness Director.

All applicants must be certified, working towards, or willing to obtain certification within 45 days of hire. We may be able to assist you in obtaining your certification.

Application Instructions: To apply for a position with Custom Built, please visit our website and complete the online application located here:
