Position: Lifeguards

Company: YMCA Storer Camps

Location: Jackson, MI

Join a team with vision! YMCA Storer Camps in Jackson, Michigan seeks qualified individuals to be lifeguards in our residential Outdoor Environmental Education School and for our Summer Camp program. The qualified candidate will be responsible for the safe operations and instruction of all waterfront activities in accordance with camp and state regulations.

Founded in 1918, Storer is a leader in Summer Resident, Outdoor Environmental Education and Specialty Camping programs. We have recently invested millions into our world-class facility. Our stunningly beautiful 1200-acre campus includes 800 acres of natural surroundings with 15 unique ecosystems including a spring fed 240-acre lake. Our comprehensive facilities are exceptional: from high tech, cutting edge technology, new lodges and dining facilities, to rustic cabin settings.

Candidates must be child focused, fun to be around, self-starting, hardworking, and enjoy working with a team all while supporting the YMCA Storer Camp mission, "To put Judeo/Christian principles into practice through programs and experiences in the natural environment that build a healthy spirit, mind and body for all."

Qualifications include having experience in a camp or aquatic setting. The ideal candidate may be skilled in the teaching of swim classes and the overall programming of an aquatic area and have a sincere desire to work with children. Must be certified in ARC lifeguard, CPR and First Aid. WSI is strongly encouraged.

Salary starts at \$170.00 per week depending on skills, certifications, and experience. Room and board may be included. Please send cover letter and resume to: Jennifer Brown YMCA Storer Camps, 6941 Stony Lake Rd, Jackson MI 49201, fax to (517-536-4922), or email ([jbrown@ymcastorer camps.org](mailto:jbrown@ymcastorer camps.org)).
