

## Parent Advisory Council Phone Conference May 5, 2009

Meeting time: 7:00 p.m.

On Line members: Deb Marquette, Earlene Esters, Sue Leahy, Therese Scarpace, Linda Logan and Suzanne Colvin

Therese opened the meeting thanking everyone for calling in on this beautiful evening. Also, she thanked Deb Marquette and Kim Mette for agreeing to co-chair her transition next year when her son will graduate.

Therese had compiled a yearly calendar to use and went over this.

Anyone who is willing to help with graduation on May 16<sup>th</sup>, please contact Shannon Tiernan at [stiernan@olivetcollege.edu](mailto:stiernan@olivetcollege.edu) or 269-749-7164.

Volunteers are still needed for Orientation. The dates left to fill are: June 15, 16, 17, July 13, 14, 15, 16, 17 and August 13.

Earlene Esters and Deb Marquette have agreed to be on the committee to research the Ice Rink project. They will be researching this and will then have a proposal. They will then meet with Linda Logan and Larry Colvin regarding the ice rink proposal.

August 23<sup>rd</sup>, Sunday, is move-in day for new students. Volunteers are needed for this. The Parent Advisory Council sets up a table in front of each hall to give out water on move-in day. Last year the water was purchased. This year we would like people to donate a case of water for this event. Anyone wishing to donate a case of water could bring it with them, if they are planning on volunteering for orientation. It could be kept in student life's store room so we would have it on move-in day. We would make up labels for the water stating donated by the Parent Advisory Council. (During the phone conference August 24, Monday, was mentioned but this date is when returning students move-in.)

Fundraising ideas were discussed as possibilities: pig roast for homecoming, donation box for the Ice Rink Fund and parents annual dinner. Volunteers are needed for the fundraising committee. (During the phone conference possibly selling hotdogs on move-in day was brought up but because of licensing requirements for selling food this will not take place, at least not this time.)

Please let Suzanne Colvin at [scolvin@olivetcollege.edu](mailto:scolvin@olivetcollege.edu) or 269-749-7607 know if you are interested in volunteering for Orientation, donating water, handing out water on move-in day, or serving on the fundraising committee.

Meeting adjourned at 7:30 p.m.
