2019-2020 Verification Worksheet

Federal Student Aid Programs

Your FAFSA application was selected for review in a process called "Verification." In this process, Olivet College will be comparing information from your application with the information you provide on this Worksheet. The law says we have the right to ask you for this information before awarding Federal financial aid. If there are differences between your application information and information provided on this Worksheet, Olivet College will need to make corrections to your FAFSA.

Complete this verification form and submit it to Student Services as soon as possible, so that your financial aid won't be delayed.

What you should do:
