

OC CARES ClearPass App

Clear Pass OC CARES App

Olivet College has launched the OC CARES ClearPass screening app that enables you to update your health status immediately and easily. A web-based version is also available. The screening will be confidential, with check-in data being submitted only to the dean of student engagement.

The app asks a short series of questions related to COVID-19 symptoms. This is also where you will record your temperature.

Download the App:

**ANDROID
POWER APP**

**APPLE
POWER APP**

1. Download and install Power App from Microsoft from the respective app store.
2. Launch Power App.
3. Enter "your Olivet College email address" eg: jdoe@olivetcollege.edu and follow the prompts.

**WEB-BASED
POWER APP**

Health Screening Steps

Site

1. Select Main Campus as your location.

Self-Declaration Form

1. Your name and the date and time will automatically populate here.
2. Complete all required fields with asterisks.

Successful Check-In Screen

1. Make sure you see a screen with a green checkmark and select "Done."

If You Pass the Screening

1. You will see a screen with green highlight stating, "Passed."
2. You will also receive an email saying that you passed.

If You Fail the Screening

1. If any of your responses trigger a "Fail," you will be directed to go back to review your answers or confirm your responses.
2. If your responses still trigger a fail, a screen will appear stating, "Return to or stay in your room. Call campus safety at 269-749-7911 for further guidance."
3. You will also see a screen with red highlight stating, "Failed."
4. You will also receive an email with instructions on what to do next from the Student Engagement team, who will assist you further.
