

WHAT to BRING and WHAT to LEAVE at HOME

What to bring, what not to bring. That's always a tough question for new students. You want to feel at home, but you'll have limited space. Some items are essential and others are nice to have. And some stuff you'll just want to leave at home as they are prohibited. Here's a Tip: Communicate with your roommate(s) about what you're bringing prior to Move-In. Make sure that you'll have room and are not bringing unnecessary duplicates into your shared space. Included in your room are:

- Curtains or shades
- Bed or mattress
- Dresser
- Desk with chairs
- Closet Space
